Two Year
Full Warranty
Four Year
Corrosion Protection

Encore® 500 S

Improved electronics for **SMART Technology** options.

SMART Merchandising™ increases in-store sales*

- Runs on **5" Monochrome** or **10" Color**
- You control the content and coupons
- Increases sales as much as 10%
- **POS Independent** - works with any POS system
- Coupon redemption rates as high as 30% to 60%
- Easily track promotions, specials, and coupons

SMART Connect™ lowers service costs*

- **Remote diagnostics and focused troubleshooting** lowers service costs
- **Lowers compliance costs** by tracking tank gauge and dispenser data
- Enables **faster throughput** with real time flow rates and low-flow alarms
- **Greater site control** with detailed alarms, such as price changes

SMART Flow™ increases throughput to drive profits*

- **Delivers fast, consistent flow**, even when sites are at their busiest
- Provides benefits of variable-speed STPs without the higher cost
- **Reduces costs** by eliminating need for mechanical flow limiters

The Industry's Most Secure Dispenser

- **Exclusive: Requires POS authorization** to activate manager keypad
- **Physical entry control** with site-specific locks
- **Logging of price changes** allows monitoring for unscheduled programming
- **Visible access required for programming** with manager's keypad
- **Secure card reader** to eliminate card skimming
- **Exclusive:** If pulse not detected, dispenser goes into slow flow/no flow
- **Hidden security clasp** accepts an optional pad lock
- **Optional hinge sensors** to alert unauthorized entry
- **Sealed pulser and meter components** reduce access and fraud
- **Exclusive: Customizable Hudson® Door Locks**
